

AMETEK

PANALARM Annunciators, Analog Trips, and High Speed Event Management Network

ROCHESTER Signal Conditioners, Annunciators, Sequential Event Recorders, Power/Transient Recorders, Power Transducers

GULTON-STATHAM Hi-Pressure, Extremely Fast 6 mS Pressure Transmitters, Mud Density Gauges

WILMINGTON Exhaust Gas, Wheel Space, Single and Dual Element Thermocouples, Flame Sensors and Scanners

A+FLOWTEK Balanced Orifice Flow Meter with significant improvement in accuracy and 50% less permanent pressure loss. Designs available that meet/exceed Low-Loss Venturi Flow Meters

B S & B SAFETY SYSTEMS Rupture Disk – Metallic / Graphite; Compression and Tension Loaded. Explosion Vents. Rupture Disk Burst Sensors.

B S & B PRESSURE SAFETY MANAGEMENT Explosion Suppression Systems. Buckling Pin Relief Valve - BPRV

BADGER METER/RESEARCH CONTROL VALVES Precision 1/4" - 2" Control Valves for throttling or on/off service; Low Flow, Miniature Magnetic Flowmeters

BEST PURGING SYSTEMS Type X, Y, & Z Pressurization and Purge Systems and Accessories

DOPAK® The international standard for performance and quality in cost-effective closed loop and closed vent sampling systems for liquids, gases, liquified gases and solids.

FLUID COMPONENTS INTERNATIONAL (FCI) Flow switches and mass flow gas flow meters, stack gas flow meters, air/gas/mass flare flow meters. Flow, level, and interface switches

GDS CORP. Fixed Gas Detection, Wireless Gas Detection, Process Stream Monitors.

HONEYWELL Portable Single and Multigas Personnel Monitors

IBOCO Complete line of Wire Duct and Cable Management Systems

LIGHTNING ELIMINATORS & CONSULTANTS (LEC) Lightning Protection, Grounding, and Surge Protection

MEECO Moisture Analyzers for gas streams from 0.5 ppb to 200 lbs/mmscf

PROTECTOSEAL Tank Vents, Flame and Detonation Arresters, Tank Blanketing Valves and Tank Hardware

RITTAL Enclosure Systems from Junction Boxes to Freestanding cabinets, Steel, Stainless Steel and Fiberglass.

STRAHMAN VALVES, INC. Severe Service Process Valves, Sample Valves, Line Blinds and Wash Down Equipment

WEIDMULLER Terminal Blocks, Connectors, Electronic modules, Signal Conditioners, Power Supplies, Ethernet Connections
